Experience

VTM Designs, Atlanta GA

(Freelance Graphic Design) 2016 - NOW

I created logo designs, business cards, flyers, ads, infographics, album designs, and more for a multitude of clients, such as Alston Constrution, William Mills Agency, ARippin' Productions, Wild Heaven Brewery, and The Highlander Bar and Grill.

The Salvation Army (The Southern Territory Headquarters), Atlanta, GA

(Graphic Design Specialist) Apr- Aug 2024

I designed graphics for the headquarters' eternal events using Adobe Indesign, Illustrator, Photoshop, and Canva. I also printed the signage for those events, which included booklets, place cards, programs, and more. I used their in-house Ricoh Production Printer and the program Fiery to print all of the materials needed for their events.

Wolf Camera & Photo Design, Atlanta, GA

(Designer) Dec 2023- Apr 2024

I utilized Photoshop to restore and preserve memorable family photos for clients. I worked closely with clients to produce specific designs and prints for their personal events/holidays or business. I became knowledgeable of the printing process using in-house materials including their Canon imagePROGRAF Pro-4100 Printer and Fuji's Dry minilab Frontier Printer. I managed multiple projects simultaneously, ensuring timely completion and delivery to clients.

Nutracap Labs, Norcross GA

(Graphic Designer) Aug 2021 - Dec 2022

As a wholesale manufacturer for clients, I designed custom packaging for various dietary supplements, from work-out to hair-growth formulas; design styles and requirements reflected the personalities of customer brands.

Big Frog Custom T-Shirts & More, Buckhead GA

(Graphic Designer) May 2021 - Aug 2021

Created logos and designs for clients to be printed on a variety of products. Guided clients through different production techniques best suited for their needs and helping them understand an assortment of fabrics and brands. In the store I printed on shirts, bags, hats and more using the company's Direct-to-Garment printer.

BauerHaus Creative, Atlanta GA

(Graphic Designer) Feb 2019 - Jul 2020

I worked on logos, ads, brochures, banners, business cards, websites, animations, sales sheets, etc. Mainly in charge of creating any items, illustrations, or graphics for clients in Adobe products.

William Mills Agency, Atlanta GA

(Assistant to the CEO) Jan 2013 - Aug 2015

Personal Assistant to the CEO. General administrative duties include data entry, organizing files, and working with the office manager.
